

Customer Support Knowledge Base

Shipping Policy

Standard shipping takes 5-7 business days within the country. Express shipping takes 2-3 business days and costs an additional \$12.99. Orders over \$50 qualify for free standard shipping. International shipping is available to over 40 countries and typically takes 10-21 business days depending on customs processing.

Returns and Refunds

Items can be returned within 30 days of delivery for a full refund, provided they are unused and in original packaging. Refunds are processed within 5-10 business days after we receive the returned item. Sale items marked 'final sale' cannot be returned. To start a return, use the Returns Center in your account dashboard.

Order Tracking

Once your order ships, you will receive a tracking number by email. Tracking information typically updates within 24 hours of shipment. If your tracking number is not working, please wait 24 hours before contacting support, as carrier systems can take time to register a new package.

Payment Methods

We accept Visa, Mastercard, American Express, and PayPal. Payment is charged at the time of order placement, not at shipment. We do not store full card numbers on our servers; all payment processing is handled by a PCI-compliant third-party processor.

Account and Password

You can reset your password from the login page by clicking 'Forgot Password'. A reset link is valid for 24 hours. If you no longer have access to the email on file, contact support with your order number for identity verification.

Damaged or Missing Items

If your order arrives damaged, take a photo and contact support within 48 hours of delivery for a replacement or refund. Missing items should also be reported within 48 hours; after that window, claims are handled on a case-by-case basis.
